

WEEK'S HOLIDAY IN PARIS. (Preliminary announcement)

It is proposed to arrange a week's holiday in Paris at Easter, 1955, for pupils from Vith and Vth Forms who wish to go.

The party would leave Preston on Tuesday, April 5th, travelling overnight to London, crossing to France on April 6th, arriving in Paris April 6th, evening and would stay in a comfortable boarding house, as near the centre of Paris as possible. The accommodation is arranged by an agency approved by the Ministry of Education and proved satisfactory over many years by the schools which have used it.

The holiday would include sight seeing in the city itself, such as visits to the Louvre, Notre Dame, and places of historical interest. Longer excursions to Versailles and Fontainebleau could also be arranged.

The expenses of the complete holiday would be as follows:-

In Paris 7 days including fare (London-Paris return) boarding house, meals, tips, fees:-	£16. 5. 0.
Preston to London, (at reduced student rate)	£ 2. 5. 0. (approximately)
Tours in Paris.	£ 2. 0. 0. (approximately)
Pocket money (suggested)	<u>£ 3. 0. 0.</u>
	<u>£23. 10. 0.</u>

This estimate is as near as can be given at the moment.

Any pupil who is interested should see Miss Milroy, Miss Bromley or Mr. Johnson as soon as possible.

Miss Milroy, Miss Bromley and Mr. Johnson will be accompanying the pupils.

An early decision must be made because accommodation must be booked as soon as possible.

It would be impossible to withdraw names after they have been finally given in, except in cases of illness.

V. U. OLDLAND,

Headmaster.
